

Cette présentation a été effectuée le 28 novembre 2011, au cours de la Rencontre internationale *La prochaine décennie pour les écoles favorisant la santé, le bien-être et la réussite éducative* dans le cadre des 15<sup>es</sup> Journées annuelles de santé publique (JASP 2011). L'ensemble des présentations est disponible sur le site Web des JASP à la section *Archives* au : <http://jasp.inspq.qc.ca/>.

## Ongoing development

- ▶ Case study authors and countries have continued to develop their school health initiatives
- ▶ Authors may present updates today to cases initially included in the case studies book

## Case study on Germany

» Peter Paulus

# Case studies in global school health promotion: Strategies and experiences from various countries

Moderator: Carmen Aldinger, EDC  
28 November 2011, Montreal, Canada

## Agenda

- ▶ Overview
- ▶ Case studies from:
  - Germany
  - Singapore
  - Hong Kong [recording]
  - Scotland
  - Canada
- ▶ Group Work and Discussion

## Selection of case studies

## Content of case studies

- ▶ Contextual background of the country situation
- ▶ Overview of school health program, its impact and results
- ▶ Specific processes and activities in the implementation process
- ▶ Conclusions and insights

## Analysis: Wheel of factors influencing implementation of policy and practice

Figure 1 from Vince Whitman, C. & Aldinger, C. (2009). *Case studies in global school health promotion*. New York: Springer

## Results

Figure 7: Frequency of strategies mentioned in cases

Codes	Frequency
Vision & Concept / International & National Guidelines	151 (78 / 73)
Dedicated Time & Resources (Financial, Human, Technical, & Material)	107
Stakeholder Ownership & Participation	105
Team Training & Ongoing Coaching/Learning Community	101
Cross-Sector Collaboration	90
Champions & Leaders at All Levels	73
Data-Driven Planning & Decision-Making	73
Administrative & Management Support	36
Adapting to Local Concerns	27
Attention to External Forces	18
Critical Mass & Supportive Norms	17
Stage of Readiness	9
